## THOTTUNGAL FAMILY ASSOCIATION

KANDASSANKADAVU-680613

E-mail : thottungalassociation@gmail.com

Dear Family Members,

With great pleasure and enthusiasm we would like to announce the date and programme of our 20th annual general body meeting. It is decided to conduct the function on April 14th Sunday 2013. Details are given hereunder.

Annual meeting of our association is an occasion for our members to rejoice and reunite. This is an event to show our strength and solidarity. So all should make sure that, they attend the whole function with full family. Presence of each member will not only add beauty and color to the event but also make everybody happy. Hence take this invitation seriously and see that your presence and participation is sure at the venue.

We have instituted so many awards for our children who have excelled in their studies, arts and sports etc. Awards will be given to children from the level of SSLC to any final year exam of any stream of study. So those concerned are requested to submit the mark list to the Secretary on or before 10th of April. Children who have obtained awards and certificates for their performance in arts and sports are also eligible to be honored by the association. Hence, those children who got certificates in recognition of their performance in arts, music, sports & games, science etc. are also requested to put up their claims before the Secretary. An expert panel appointed by the Executive Committee of our association will select the eligible candidates from the certificates/documents available with the Secretary. Children who received First Holy Communion during the year should also inform their names to the Secretary, as they will also be congratulated during the function.

In the year 2006 we decided to convert all the ordinary membership to life membership. The amount fixed for the life membership is Rs. 3000/-. But still there are some members who have not remitted the difference of Rs. 2000/- for upgradation. We earnestly request them to remit the difference amount as early as possible since, the financial position should also be strengthened for the long and meaningful existence of the organization.

Each family unit is expected to pay Rs. 100/- towards registration and Rs. 200/- for food. Those who have paid for life membership (Rs. 3000/-) need pay only Rs. 150/-.

I once again request valuable presence and wholehearted co-operation of all our family members in the ensuing General Body.

Yours lovingly,

Francis T A (Secretary).
